

Privacy Policy for Lil j

Effective Date: 06/08/2025

Overview

Lil j ("we," "our," or "the app") is committed to protecting your privacy and the privacy of your children. This Privacy Policy explains how we handle information when you use our learning app.

Key Point: Lil j does not collect, transmit, or share any personal data. All content remains securely on your device.

Information We Do NOT Collect

- We do not collect personal information
- We do not track user behavior or analytics
- We do not collect location data
- We do not use cookies or tracking technologies
- We do not require user accounts or registration
- We do not connect to the internet or external servers

Information You Create and Store

When using Lil j, you create content that is stored locally on your device:

- **Photos:** Images you capture using your device's camera
- **Audio Recordings:** Voice recordings you create within the app
- **Learning Items:** Names/labels you assign to your photos and audio
- **App Settings:** Your preferences for drop rate, shuffle mode, and theme settings

Important: All of this content is stored exclusively on your device using your device's secure storage system. We cannot access this content, and it is never transmitted anywhere.

Device Permissions

Lil j requests the following permissions to function:

- **Camera Access:** Required to take photos of objects for learning cards
- **Microphone Access:** Required to record audio pronunciations
- **Photo Library Access:** Optional, for selecting existing photos

These permissions are used solely for the app's core functionality. We do not access your camera, microphone, or photos for any other purpose.

Children's Privacy

Lil j is designed for children and families. We take children's privacy seriously:

- We comply with the Children's Online Privacy Protection Act (COPPA)
- We do not collect any personal information from children
- We do not enable communication between users
- We do not include social features or external links
- Parents maintain complete control over all content

Data Security

Your content is protected by:

- **Local Storage:** All data remains on your device using iOS secure storage
- **No Network Transmission:** Content never leaves your device
- **Device-Level Encryption:** Protected by your device's built-in security features
- **Parental Controls:** Settings are protected within the app

Third-Party Services

Lil j does not integrate with any third-party services, analytics platforms, or advertising networks. The app operates completely independently on your device.

Data Retention and Deletion

- You have complete control over your content
- Delete individual learning items at any time through the app
- Uninstalling the app removes all associated data from your device
- We cannot recover deleted content as we do not have access to it

International Users

Since all data processing occurs locally on your device, there are no international data transfers or cross-border privacy considerations.

Changes to This Privacy Policy

We may update this Privacy Policy occasionally. When we do:

- We will update the "Effective Date" at the top of this policy
- Significant changes will be communicated through app store updates
- Your continued use of the app constitutes acceptance of any changes

Commitment to Privacy

Lil j was designed with privacy as a core principle. We believe that your family's learning content should remain private and secure. By keeping everything on your device, we ensure that your data stays under your control at all times.

This approach also means that Lil j works completely offline, providing a safe, distraction-free learning environment for your child.

This Privacy Policy applies to the Lil j app available on the Apple App Store. By using Lil j, you agree to this Privacy Policy.
